We've had "Candidates Nights", and for ~~many~~ ^{50 yrs} years the Reading of the Warrant for town meetings.

We have sponsored Little League & Farm League, an Athletic Association, a bowling league, a softball team and a P.O.D.A. band. Many years ago our hall was even used for funerals.

We have had a financial seminar, meetings on crime prevention, Red Cross classes.

Years ago we had drama groups "The Parish Players", The Workshop Players and in more recent years our Dinner Theater presentations.

Our open meetings covered topics like Drug Education 1971, Explanation of the telephone "dial" system in 1955. Forum on "No Fault Insurance". One of our largest meetings covered proposals for the So. Key. air base with representatives from the Navy as well as the Aeronautical Commission.

Our hall has been available through the years for topics relating to the town and of interest to voters and taxpayers interested in the community. It offers the opportunity to bring civic problems before an impartial organization for discussion & group action.
